

CraftStor

Description

LinkedIn for craftspeople. The user can create a profile and also look at other profiles. Provide freelancing services.

User Persona

Emily, 26, Craftsperson

User Story

Emily just moved to a new city and is looking for a new job but doesn't know how to connect with people in her field in the new city. CraftStor will allow her to post her profile up on the internet so that she can connect with people who are working in the same field.
